FUEL FILTER COVER

COMPATIBLE WITH TOYOTA 300 SERIES LANDCRUISER 2021+

Introducing Blackhawk Fuel Filter Cover for the Toyota 300 Series Landcruiser: Protect your Toyota 300 Series Landcruiser with Blackhawk's Fuel Filter Cover, designed to safeguard the low-hanging fuel filter, wiring, and tubes from potential damage. The fuel filter and its components are particularly vulnerable to rocks and sticks that can penetrate the lines and housing, potentially rendering your vehicle undriveable.

Our durable fuel filter cover adds an essential layer of protection to this critical and exposed area, ensuring your Landcruiser remains resilient against off-road hazards and maintains its reliability.
